February 23

Mme is away at FI meeting

February 24

Pro-D- No School

Snowshoeing

Both of the French kindergarten classes will be spending half the day on February 20th snowshoeing and half the day learning some fun Inuit games! Please let me know if you can help out on this day!

MATH MONTH!!

I hope the 100's home collection is going well. The students are on their **22nd day of school** for 2017. We are currently discovering different ways to break apart numbers from 1 to 10. To help us celebrate Math Month, every student will receive their own Math Envelope. Each envelope will have the current math goal your child is working on. Together, we will collect stickers for every Math goal that is mastered. Once 25, 50 and 75 stickers have been collected, the students will receive whole class prizes. Please see your Math Envelope for more details.

Monthly Run

On Friday, February 17th, the 4 Kindergarten classes will participate in their 6th run this year, striving to run more laps around the gym than their last run. Students should wear RED to show their "HEALTHY HEART".

Valentine's Day

Valentine's day activities will be on Tuesday, February 14th. The students will have the opportunity, on this day, to distribute Valentine cards for their classmates. I have attached a class list so that no one gets left out. This is a great exercise in practicing printing skills and recognition of classmates' names. It would be a good idea to get started early and have your child begin addressing and signing a few cards each day so that the job does not become overwhelming. We will be in need of large, medium and small heart shape cookies. Please let us know if you are interested in baking sugar cookies for our children to decorate.

Parent-teacher-student conferences

It is an absolute privilege seeing your child grow and learn every day and I look forward to sharing their learning with you at parent-teacher conferences. **Please come 15 minutes early** to your conference. There will be student work set up in the hallway for you to see. When you enter the class, please bring your child's workbooks in with you so we can discuss their achievements together! This is a three way conference between teacher, parent(s) and student, **please bring your child to the conference!** If you have any further questions, please contact me at school or through email.

Please sign up on the schedule in the hallway.

Merci! Have a great February!

A huge THANK YOU for helping your child with their home reading. It is making a big difference!!

Please return this form if you are able to volunteer in the class this month!

- Snowshoeing-all day Feb. 20th
- Valentine's day-12:00-1:30
- Baking Valentine's Cookies
 - Small
 - Medium
 - Large

I will contact you with details such as how many cookies we will need

Your name: _____

Your child's name: _____
