Star of the Day: Round three!

Wow! Can you believe it, only two months left of Kindergarten! For the second last round of **L'étoile du jour** students are to find three objects that are their favourite colour and bring them in for show and tell on their day. Please ensure the objects are reasonably sized and can easily be transported in the child's backpack or a second bag.

Fun Run

The students have done an excellent job running and recording their laps so far. This school wide activity is an excellent opportunity to practice setting goals and experiencing personal growth.

In order to expand on this lesson, please talk to your child at home about their runs and help them set realistic goals. Please also speak to them about not comparing their laps to the other students. Every one runs at a different pace. Our focus should be on doing our own personal best and not worrying about beating each other.

Dress Code

As we get into warmer weather, I would like to remind everyone of GPE's dress code:

- No flip flop type sandals
- No "spaghetti straps" (must have "lasagna straps")
- Girls: please wear shorts under skirts or dresses due to moving around a lot and sitting on the carpet
- No short shorts (shorter than fingers when arms placed at the sides)

Upcoming Events

May 1st

Police Station Walking Field Trip

May 11th

Mother's Day Spa

May 12th

Westwood 1:00-1:30

May 19th

Non-Instructional Day- No School

May 22nd

Victoria Day- No School

May 26th

Butterfly Run

May 30th

Mother's Day Spa

In order to celebrate all the wonderful things the Mom's of Kindergarten do for us, all four K classes are working together to create a Mother's Day Spa. We invite all moms (or grandmas /aunts/available friends of moms) to enjoy some relaxing spa activities. You will start in our classroom with some books and refreshments then you will rotate through the other four classes for manicures, massages and hair styling.

Please wear flip flops to this event and feel free to bring your own hair brush

Merci! Have a great May!

May the 4th be with you

Many students in our class are Star Wars fans. On May the 4th I invite any students to wear their Star Wars T-shirts to school on this day. I have some fun Star Wars literacy and numeracy activities as well as some Star Wars art projects for the students to complete on this day.

Class Photo

On Thursday, April 27th will have our class photo taken first thing in the morning. Every student will receive one of these photos. Please help your child dress appropriately for the day.
